

Navan Strengthens European Train Offering with Swedish Rail Integration

May 28, 2026

Through a direct connection with SilverRail, Navan adds more than 20 Swedish rail carriers to its long list of European rail options

PALO ALTO, Calif.--(BUSINESS WIRE)--May 28, 2026-- [Navan](#) (NASDAQ: NAVN), the global AI-powered business travel and expense platform, today announced the addition of more than 20 Swedish rail carriers to its platform, including Sweden's largest operators, [SJ](#) and [VR](#). Powered by [SilverRail's](#) global rail distribution platform, the API integration unlocks access for Navan customers to domestic rail routes in Sweden, as well as many popular cross-border routes in the region, such as between Stockholm and Copenhagen.

Through a direct connection with SilverRail, Navan adds more than 20 Swedish rail carriers to its long list of European rail options

"We're seeing strong momentum in Sweden," says Michael Riegel, Chief Customer Officer at Navan. "It's a unique economy where you have this intersection of industrial companies,

in manufacturing, maritime, and automotive, colliding with a world-class tech and AI scene. Our growing number of customers in the market have been clear about what they need, a unified platform that makes travel seamless. By bringing Swedish rail directly into Navan, we're answering the demand for local, sustainable travel options in one of Europe's most important markets."

Travelers will now be able to seamlessly search and complete Swedish rail bookings across both the Navan web and mobile apps. The integration also unlocks enhanced self-service capabilities, with travelers able to manage seat preferences directly at the time of booking and execute self-serve cancellations right from the platform.

With one of the [broadest selections](#) of rail carriers of any TMC, Navan is rapidly [expanding](#) its global rail footprint, having launched VIA Rail in Canada and OBB in Austria last year. In Europe, Navan offers seamless access to rail carriers across 10 countries: Austria, Belgium, France, Germany, Italy, the Netherlands, Spain, Switzerland, the United Kingdom, and now Sweden.

This expansive inventory is increasing evidence of Navan's ability to deliver as an AI-powered business travel platform, cutting through legacy platforms to give enterprises the comprehensive, global coverage they demand.
